

October 29, 2024

Dear Sir or Madam,

I am very pleased to be able to write you this letter regarding Jude Shook. I have had the pleasure of coaching Jude as a student/athlete on the PCCS varsity baseball team. Jude is a very mature young man of great character. He is a leader and has shown that he has a very intentional attention to detail when it comes to baseball. He leads by example and the team has always followed his lead. His Christian beliefs and being a God fearing man, helps him to obtain his goals.

Last season, Jude was selected 1st Team All District and helped lead our team to the playoffs. One thing that really impresses me with Jude is his work ethic and desire to "be better than you were yesterday". I have always instilled that motto in our practices and games. Through baseball, he has learned to be a leader of men, through his words and play. You can always expect Jude to give you 100% effort and never take a play off. Never misses a practice or game. He will eat up all criticism, whether it be positive or negative. When he commits to a task you can always expect Jude to give you his all-out effort to the highest standards.

It is without reservation that I give Jude my highest of recommendation. As I stated above, he is a hard worker and dedicated leader. If you would like to talk to me more in depth about Jude, I would love to do so and can be reached at 484-925-8945.

Sincerely,

A handwritten signature in blue ink, appearing to read "Phil Longworth", with a long, sweeping horizontal line extending to the right.

Phil Longworth

PCCS Varsity Baseball Head Coach
